

Lac qui Parle County
DEPARTMENT OF HIGHWAYS
Madison, Minnesota 56256

June 16, 2016

NOTICE

From: Sam Muntean
Lac qui Parle County Highway Engineer

JOB OPPORTUNITY

Lac qui Parle County Highway Department is accepting applications for a Civil Engineering Technician at the Madison office. Primary duty will be, under general supervision, to provide professional field and office civil engineering work. Duties include, but are not limited to: performing construction observation/inspection duties; preparing plans and sketches; surveying; assisting in the preparation of project specifications and bid documents; construction materials testing; and performing additional tasks as assigned by the Engineer.

Minimum qualifications include a high school education, and Associate's Degree in Civil Engineering Technology, or 3 years of qualified work experience related in this field. Must have a valid driver license.

Good knowledge in highway design, computer aided drafting and record keeping skills are desirable.

Base Salary ranges from \$2,895.87 to \$3,961.00 per month based on experience and certifications, with benefits including insurance, cafeteria plan, and a retirement plan.

Application and Position Description may be obtained in person at:

Lac qui Parle County Highway Department
422 5th Avenue
Madison, Minnesota 56256

Or by telephone request: Phone (320) 598-3878

Or on the web site at: <http://www.lqpc.com> and select employment at the top of the page.

County application forms are required. Resumes will not be accepted as substitutes but may be submitted in addition to the application form.

Application deadline is July 15, 2016.
