### **County State Aid Highway 34 Construction Update**

Due to the extra work required because of the unstable subgrade and the deteriorating weather it has been decided that CSAH 34 will not be paved this year. The road will remain gravel until after the ground has thawed and weather conditions allow it to be paved next spring.

Any questions and concerns should be directed to the County Highway Engineer, Sam Muntean at 320-598-3878.
