

PUBLIC NOTICE:

The Lac qui Parle County Family Service Center has updated the biennial MFIP Service Agreement for 2024-2025. This includes the use of the MFIP Consolidated funding for the Minnesota Family Investment Program for the period of January 1, 2024 through December 31, 2025.

Public law requires that the agreement be available for review by the public and copies of the proposed state plan be made available to the public.

The public is given opportunity to comment on this plan during the review period from September 15, 2023 through October 15, 2023. Copies of the plan are available in our lobby during normal working hours. Questions and comments concerning the biennial MFIP Service Agreement must be submitted in writing to:
